

WORK TO LIVE APPLY HERE.

Stickygreenfrog Graphic Design

GRAPHIC DESIGNER

Stickygreenfrog Graphic Design requires the services of an energetic and talented graphic designer to work on a regular freelance basis. The role is initially for 6 months, however it may turn to a full time position for the right person.

Central Coast NSW | Contractor/Temp | Salary \$35 – \$40 per hour

SELECTION CRITERIA

Key responsibilities include

- Creating a wide range of branding and communications materials for our varied national client base including advertising, brochures, web point of sale material, and websites.
- Prioritising work loads.
- Managing production responsibilities.
- Maintaining an online content management system in line with studio procedures.
- Providing a quick and efficient turnaround on jobs with a high level of accuracy and attention to detail.

Essential Criteria

- TAFE Certificate IV/Diploma qualifications in graphic design or equivalent industry experience.
- At least 3 years experience within a design studio or in house marketing team.
- Demonstrated ability to design a wide range of branding and communications material.
- Demonstrated ability in web point of sale material and web design.
- Demonstrated ability to prioritise workload and provide a quick and efficient turnaround.
- Ability to show attention to detail and a high level of accuracy.
- Experience in working with a content management system.
- Experience in working in Photoshop, InDesign, Illustrator and other related design programs.
- Demonstrated ability to manage production responsibilities and effectively liaise with suppliers and other contractors.

Desirable Criteria

- Experience in Wordpress content management.
- Experience in web development.
- Experience in HTML EDM framework.

What we are looking for

The right candidate will be an exceptional communicator, a self starter, extremely well organised, posses the ability to prioritise and manage additional freelance staff and production responsibilities to get the job done. The ability to juggle multiple tasks and deadlines and have an exceptional attention to detail is essential.

You will need to be able to work in a small team, although working with autonomy and flexibility will be a strong asset.

We offer a friendly, rewarding and creative environment, a strong work ethic with a studio based on the Central Coast of NSW. This is an immediate start for the right candidate. Remuneration will be by an agreed hourly rate.
